

The Employment Supports Program

The Employment Supports Program

Through the Employment Supports Program, Goodwill assists participants in achieving their individual employment goals. For those in need of on-the-job training, Goodwill offers a paid training experience that simulates competitive employment expectations. Job development and job placement activities are provided to ensure positive employment outcomes. Once a position has been secured, follow-up support including retention counseling, transportation assistance, and job coaching is provided as needed to support each individual in achieving and maintaining the employer's expectations and standards.

Services offered:

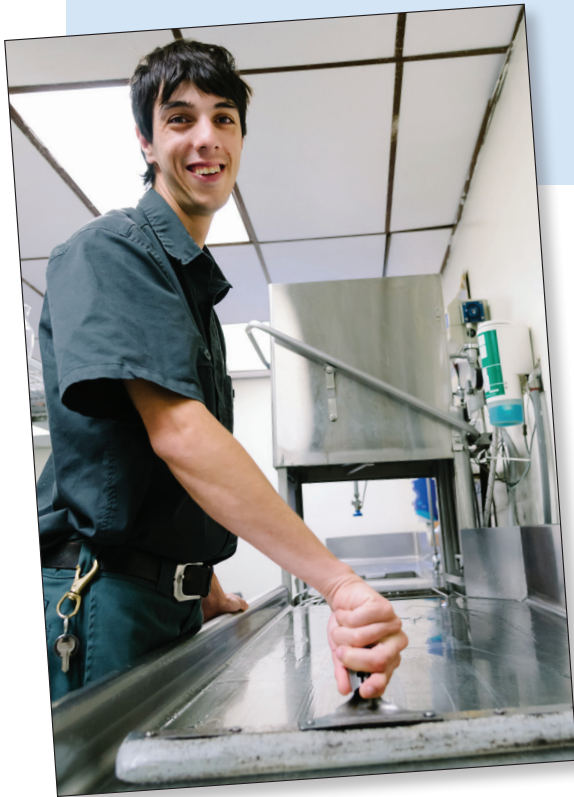

- ✓ Job coaching for participants
- ✓ Case management
- ✓ Job fairs
- ✓ Internships
- ✓ Mobile work crews
- ✓ Continued support after placement

Benefits:
