

HELP & FIRST STEP

GOODWILL RECOGNIZES THE CHALLENGES THAT UNEMPLOYMENT CREATES. This is why we have developed **First Step**, a program designed to help you advance your career, strengthen your family, and achieve financial independence. The 3-4 week job readiness program prepares you to reenter the workforce.

**For more information about First Step,
please contact Precious Williams at 617-541-1220**

Goodwill also prepares individuals for a career in human services through its **Human Services Employment Ladder Program** called **HELP**. This eight-week training program prepares students to become entry-level direct career professionals in human services. Many HELP graduates go on to work for one of our employer partners.
